

Sorenson VRS Get Connected Event

Join us to learn about the upcoming changes in VRS including selecting a default provider, real numbers, E911, and services offered exclusively to Sorenson customers.

Presentation will be by Gertie Galloway

There will be light refreshments served. We will provide one round of golf and game tokens to the first 75 people.

Date: Wednesday, April 29th, 2009

Time: 7:00 pm

Location: Celebration Station
10111 Gwenadele Avenue
Baton Rouge, LA 70816

Sorenson VRS connects you quickly through easy-to-use features and free services that empower you. Communicate in ASL with anyone, whenever you want.

Enhanced 911 Services
We've handled more 911 emergency calls than all other VRS providers combined.

Choice of Real Numbers
When you connect with Sorenson VRS® you get a local 10-digit number and DirectVP® number.

Highest-Quality Professional Interpreters
Sorenson invests heavily in our customized interpreter training and mentoring programs.

Sorenson Gold Services
When you select Sorenson you get the best services and features delivered through your Sorenson videophone.
