

# Purple Netbook

THE P3™ Optimized Purple Netbook™ keeps you connected

**Maximize** your connectivity with family, friends, and colleagues using the most portable communication tool available!

**P3 Software™** is Purple's revolutionary new application that combines crystal clear VRS, text relay, point-to-point video calling, and a host of call tools, which together make it quick and easy to receive a call from anywhere.

OPTIMIZED  
WITH

## VRS and more!

Video relay, text relay, point to point video calling, email, and instant messaging... all right out of the box.

## Web Browsing

Connect to the Internet, open the browser and surf away!

## Wired or Wireless Internet!

Ethernet cable or wireless with the built in WiFi card.

## Portable Computing Power

Weighing less than 3 lbs, the **Purple Netbook** does everything other laptop computers can do... except break your back.

**Inbound and Outbound Calls**  
**Integrated Address Book**  
**Excellent Video Quality**  
**Voice to Video (V2V)**  
**One-Click Dialing**  
**In-Call Text Chat**  
**Call History**

**Get yours and connect today!**
