TSID is an Approved RID CMP Sponsor for Continuing Education Activities. This Professional Studies program is offered for .6 CEUs at the *Some Knowledge Level*. Target Audience: *Certified and Non-Certified – All levels will benefit.*

Approved BEI .6 CEUs

Workshop/Course Description:

How the heck am I going to answer those NIC Interview Questions?! Do I need to memorize the RID CPC? Is there a time limit? Can I bring notes? Is there a formula for passing the test?!

This workshop will provide practical tips on how to approach the interview portion of the NIC exam. Participants will learn, following the Interview Test Rubric, how to dissect an ethical dilemma and construct a solution within the confines of the Code of Professional Conduct. This aim of this workshop is to develop a process that can be used when making those tough ethical decisions. Since this session will look at the process for ethical decision making, the tools acquired during this time will be relevant long after test day. Lecture, discussion, and group participation will be the primary mediums of instruction used for this presentation
