Leaving out of Galveston, TX – This amazing cruise vacation takes us to three tropical paradises. Our first stop is Montego Bay, Jamaica, where we can go diving, horseback riding, golfing, or even river rafting. A turtle farm and the chance to swim with gentle stingrays awaits us in Grand Cayman along with Seven Mile Beach and a town called Hell. Then, Cozumel of Mexico, an island paradise of pristine beaches, coral reefs and duty-free shops. From here, we can visit the Mayan ruins on the cliffs of nearby Tulum. On this cruise, we'll enjoy one fun adventure after another.

*Lets get as many people as we can. You can invite old high school classmates, co-workers, family and many many friends. Invite as many people as you like. The more people, the more fun we'll have.*

### PASSPORT:

Great Deaf Vacation strongly recommends that all guests travel with a valid passport during their cruise. This greatly assists guests who may need to fly out of the United States to meet their ship at the next available port should they miss their scheduled embarkation in a U.S. port; guests entering the U.S. at the end of their cruise; and guests needing to fly to the U.S. before their cruise ends, because of medical, family, personal or business emergencies, missing a ship's departure from a port of call, involuntary disembarkation from a ship due to misconduct, or other reasons.

Guests who need to fly to the United States before their cruise ends will likely experience significant delays and complications related to booking airline tickets and entering the United States if they do not have a valid U.S. passport with them. To get your own passport, contact your local United State Postal Service or go to the Passport website at <http://www.travel.state.gov/>
