

Ethics *focus*

Ethical Decision Making

This session is for sign language interpreters and will look at the complexities in making ethical decisions and how individual personal ethics, morals, and outside influences can effect decisions made related to interpreting dilemmas. The class will discuss various components involved in the ethics and decision making process emphasizing the importance of difference perspectives from cultural, social and individual viewpoints.

The Presenter:

Randi Turner serves as the Communications Access Specialist for the Department of Assistive and Rehabilitative Services - Office for Deaf and Hard of Hearing Services.

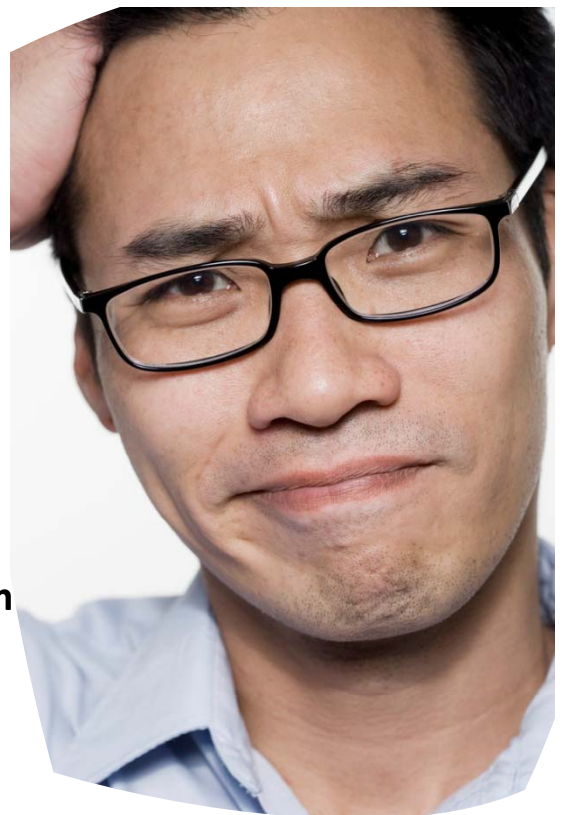

Date: 8/17/2012 Time: 9am-3:30pm

**Location: North Central Texas College
Room E-2, 928 Cherry St, Graham,
Texas 76450**

This session is free.
