Thinking of applying?

- Are you the best of the best? Are you prepared to work VRS and let your personality shine at the same time?
- Do you want to be at a company where our culture is the most important part of our company and our biggest asset?
- Do you think wild, crazy and wacky ideas should be always heard and often implemented?
- Can you handle any type of call scenario with grace and humor? Do you care about the Deaf Community?
- Do you welcome the opportunity to work with a diverse team?
- Can you be part of a team that invests their talents and skills toward offering the best interpreting services for our customers?
- Do you have talents to bring to the table toward creating and fostering a supportive and fun work environment?

Z Video Relay Service is looking for motivated, professional individuals who love to work with their interpreting colleagues and the deaf community in a fast paced, fun and changing environment. National certification and 3 to 5 years of community experience is a must.

Those who spread gossip, negative attitudes or excess baggage need not apply. If you are only looking for a paycheck but are not interested in contributing to the success of the team as a whole, this is not the place for you. Seriously, we value our culture.
