American Sign Language is very unique. It contains its own grammatical rules and syntax (sentence) structure.

Deaf professors, Dr. Brian Kilpatrick and Dr. Tracy Knight, will teach and guide you (IN ASL, NO VOICE) to have a better understanding of basic ASL Linguistics. This course will consist of 10 weekly sessions including Powerpoints, lectures, class activities, and various assignments.

Note: Attendance is required for an “Introduction Night” on September 30th at 7:00 PM.
