Job Summary:

The mission of the Texas Workforce Commission (TWC) is to promote and support a workforce system that creates value and offers employers, individuals and communities the opportunity to achieve and sustain economic prosperity.

The Vocational Rehabilitation Counselor (VRC) I-IV performs routine to advanced vocational rehabilitation work in support of the mission, goals and values of the Texas Workforce Commission. Applies critical thinking skills and sound decision making in performance of routine rehabilitation work in the Vocational Rehabilitation (VR) program. This program assists eligible individuals with disabilities to prepare for, retain, obtain and/or advance in competitive, integrated employment and includes assisting students with disabilities to transition successfully from high school to postsecondary education and employment.

This position will be located 3320 Phoenix Drive, Fort Worth, TX 76116

The ideal candidate will perform work using the applicable policy, guidance, and the electronic case management system. The VRC I-IV is hired by the Area Manager (AM) with the approval of the Regional Director (RD), and works independently, with moderate to minimal supervision by the AM.

General Duties:

- Assists eligible individuals with disabilities to prepare for, retain, obtain and/or advance in competitive, integrated employment and includes assisting students with disabilities to transition successfully from high school to postsecondary education and employment.
- Develops and maintains relations with community referral sources, businesses, employers and schools as applicable.
- Collects and analyzes all information necessary to make an accurate eligibility decision (e.g. medical, psychological, school records, employment records, etc.)
- Assists the consumer in choosing an appropriate employment by analyzing information to determine the consumer's strengths, resources, priorities, concerns, abilities, capabilities and interests, and matching that information to the current job market, as appropriate.
- Works collaboratively with the consumer to develop a plan of services designed to achieve the consumer's identified employment goals.
- Ensures timely, cost-effective provision of services and consumer progress toward achievement of their employment goal.
- Develops and implements a process leading to successful job placement.
- Applies best value purchasing practices and uses available comparable benefits and services to ensure effective use of public funds.
- **MANUAL COMMUNICATION SKILLS ARE REQUIRED FOR THIS POSITION.**
- Possesses knowledge of communication strategies for people who are deaf or hard of hearing.
- Possesses knowledge of aspects of deaf culture.
- Possesses the ability to communicate in a conversational mode utilizing various forms of manual communication (American Sign Language (ASL), Pidgin Sign English (PSE)).
- Performs other duties as assigned and required to meet the mission and goals of the department and division.

At time of interview, candidates will be assessed on their signing skills.
A standard writing sample will be requested during the interview.
